Software Engineer
Route.money · Part-time
Nov 2019 - Dec 2020 · 1 yr 2 mos
Nairobi County, Kenya

• Developed and deployed Core backend for mobile money wallet, integrating
InterSwitch gateway.…   …see more

▽ Python, Django and +4 skills

Associate Software Developer
Andela · Full-time
Dec 2018 - Oct 2019 · 11 mos
Kenya

Product Engineer (7 months)
 • Contributed to the development of an internal asset management web
application aimed at consolidating
 disparate systems (Google Sheets, Slack, email, and offline processes) into a
unified platform.
 • Implemented features to improve operational efficiency, including real-time
stakeholder notifications and a
 hot-desking system integrated with Slack to facilitate workspace booking.
 • Supported the delivery of data-driven insights to inform asset-related
decision-making.

Entry-Level Software Engineer (4 months)
 • Participated in a team of six to build a Medium-inspired content sharing
platform, enabling users to create,
 read, and interact with articles.
 • Developed key features including social authentication, article reactions
(like/dislike), section-based
 comments, and in-app notifications.
 • Gained practical experience in agile software development, collaborative
workflows, and technical
 communication.

▽ Python, Django and +4 skills

Recommendations ＋ ✎

Show all pending

Received   Given

Gideon Agyekum · 1st
Senior Software Engineer
December 28, 2024, Gideon worked with George on the same team

George is an exceptional engineer who meticulously pays attention to details, poses insightful questions, and approaches tasks with comprehensive knowledge. His expertise renders his task execution irreversible.

Adedapo Adelola · 1st
Software Developer
December 9, 2024, Adedapo worked with George on the same team

I recommend George for any company. I and George had worked as colleagues and in the same team. George is passionate when it comes to his role as a backend developer. He has great knowledge of Python and most of its popular web frameworks. He has an exceptional turnover time, able to interpret tasks into practical results.

You're definitely in good hands.
